

Accessibility Standards

Limestone Advisory for Child Care Programs (LACCP) establishes accessibility standards for customer service in accordance with Ontario Regulation 429/07, under the Accessibility for Ontarians with Disabilities Act, 2005.

LACCP is committed to providing programs and services that are accessible to all and shall make reasonable efforts to ensure that:

- 1) Programs and services will be provided in a manner that respects the dignity and independence of persons with disabilities.
- 2) The provision of programs and services to persons with disabilities and others must be integrated unless an alternate measure is necessary, whether temporary or on a permanent basis, to enable a person with a disability to obtain, use or benefit from the programs or services.
- 3) Persons with disabilities must be given an opportunity equal to that given to others to obtain, use and benefit from the programs or services.

We welcome your **FEEDBACK** related to the accessibility of our services for persons with disabilities.
